IHRD – Revision of Special Rules for different categories of post and staff pattern in IHRD institutions – approved - Orders issued.

No.EA2/1685/2008/HRD   Dated, Thiruvananthapuram 10ᵗʰ May 2011

Read:- 1) *This office Proceedings of even No. dated 25.02.2011*
2) *G.O (Rt) No. 1135/08.H.Edn dated 30.07.2008*
3) *Minutes of the 19ᵗʰ meeting of the Governing Body of IHRD held on 07.02.2011*

ORDER

In this office proceedings read as first paper above, the decisions of Governing Body for revision staff pattern and Special Rules have been made applicable to IHRD employees with effect from 07.02.2011 and ordered that, detailed orders will be issued separately. The Government had constituted a committee for revision of Special Rules and staff pattern for the educational institutions functioning under IHRD. The committee in its meeting held on 16.10.2008 and on 24.10.2009 examined all the rules and regulations prevailing under IHRD in tune with the rules existing in similar State Government institutions under Department of Technical Education (DTE), Department of Collegiate Education (DCE), State Boards and Department of Higher Secondary Education etc…. Under IHRD, there is a common service for all categories of institution for selection and appointments, though the institutions are affiliated to different Universities, Department of Technical Education and

other Government Departments. The academic activities in Engineering Colleges, Polytechnics, Colleges of Applied Sciences and Technical Higher Secondary Schools under IHRD are controlled by the concerned Government agencies as AICTE, UGC, Universities/Boards. As such, it is mandatory to follow the educational qualifications prescribed by the Government agencies for teaching faculties under IHRD and separation of services for teaching faculties is necessary to suit their academic norms as prescribed by the AICTE, UGC, Universities, State Boards etc…. Considering the above position, the committee recommended that, the service of teaching faculties in these categories of institutions shall be bifurcated as Engineering College service, College of Applied Science service, Model Polytechnic College service and Technical Higher Secondary School service. The separation of teaching faculties so proposed shall be similar to that followed in the DTE as Engineering College service and Polytechnic service etc…. The committee after indepth study recommended the abolition of certain posts having no sufficient work load and also recommended for creation of certain additional posts so as to enhance academic as well as administrative capabilities. The 19th meeting of the Governing Body of IHRD in its meeting held on 07.02.2011 had studied the recommendation of the committee in detail and resolved to approve the recommendation with certain modifications therein. Accordingly, the revised staff pattern for IHRD institutions and Special Rules for IHRD employees

approved by the Governing Body is published for implementation with effect from 07.02.2011 in supersession of all the existing orders. A copy of the revised staff pattern for the concerned institution and Special Rules are attached. The following further orders are also issued with immediate effect.

1) The AICTE/UGC scheme has already been extended to the faculties working in the Engineering Colleges under IHRD. As such, the revision of AICTE/UGC scheme from time to time as ordered by Government of Kerala shall be applicable to the faculties working in the Engineering Colleges under IHRD on the same terms and conditions.

2) To introduce UGC scheme to the teaching posts in the College of Applied Science under IHRD on condition that, UGC norms in force from time to time as ordered by Government of Kerala is strictly applicable to the faculties in the CAS.

3) The appointment for lower categories of posts like Sweepers, Gardeners, Security Guards and Scavengers in future is discontinued and accorded sanction for outsourcing the service of these categories of post wherever necessary.

4) The existing practice followed for selection procedure for promotion of various categories of posts by inviting application for each selection in all cases shall be dispensed with and to implement automatic promotion for all categories of post below the scale of pay of Rs.10790-18000 (pre-revised) (i.e. below the category of Senior Superintendent in administrative post and equivalent categories of teaching and other posts) by publishing seniority list and as is done in Government Departments. In all other cases, the existing practice will be continued.

5) For all new appointments, the period of probation will be for 2 years on duty within a continuous period of 3 years from the date of joining except for last grade servants. For them the period will be 1 year within a continuous period of 2 years. For the case of regular promotions, the period of probation will be 1 year within a continuous period of 2 years.

6) The new recruitments both regular as well as guest/supporting faculties will be as per the revised Special Rules and staff pattern henceforth.

7) The reduction on recurring expenditure as far as possible is absolutely essential for the very sustenance of IHRD. The heads of

institution being the drawing and disbursing officer shall ensure that, 60% of regular employees in all categories of post alone are retained in the concerned institution. Remaining employees shall be retained on adhoc basis. In such cases, the heads of institution will send specific proposal to the Director, IHRD, Thiruvananthapuram to re-deploy the existing regular employees to the needy associate institutions.

8) Specific directions were issued to all heads of institutions for conducting short-term as well as orientation courses as a part of generating revenue. In order to conduct IHRD courses, additional faculty members and supporting staff shall be required. In such cases, special sanction for the engagement of guest faculty/supporting staff will have to be obtained from the Director, IHRD for which specific proposal will have to be sent to IHRD (Headquarters) sufficiently early. The Head of Institution shall also ensure that no regular or adhoc employee is retained in the concerned institution without sanctioned post either in regular/ temporary post under any circumstances.

9) The amendment or deletion of existing staff pattern and Special Rules shall be subject to the condition that, the existing employees

shall be given protection except AICTE and UGC scheme. The AICTE/UGC norms will be applicable to IHRD employees concerned as ordered by Government of Kerala from time to time.

10) The heads of institution will circulate the revised staff pattern and Special Rules among the IHRD employees obtaining their dated acknowledgment and acknowledged copy shall be retained in their office. Further, the head of institution shall keep the Special Rules and staff pattern as a permanent record of the institution concerned for its strict implementation.

11) Receipt of this order shall be acknowledged by return.
