**Sub:-** *IHRD – Fixation of pay of Senior Lecturers in Computer Science and Electronics  
– Instructions issued – reg.*

**Ref:-** *G.O (Ms.) No. 939/14/H. Edn. dated 09.12.2014.*

As per the order read above, Government have extended the benefits of the 9<sup>th</sup> Pay revision to IHRD employees with effect from 01.07.2009. As per the revised staff pattern the post of Senior Lecturer in Computer Science, Lecturer in Computer Engineering, and Lecturer in Computer Application have been clubbed together as one as Assistant Professor (Computer) and the posts of Senior Lecturer in Electronics Science, Lecturer in Electronics Engineering, & Lecturer in Electronics Science have been clubbed together as Assistant Professor (Electronics). The post of Lecturer in Computer Science has been omitted while clubbing of posts was ordered. Due to clubbing of posts, the incumbents working in the post of Senior Lecturer and Lecturer in Computer Science are not eligible to draw the pay, on par with their pre-revised pay, as per the revised pay scales. The anomaly in this regard is under the consideration of the Government and the anomaly committee, for rectification.

In the above circumstances all the heads of institutions under IHRD are directed to defer the fixation of pay of the incumbents in the above categories till the anomalies of the said categories are rectified and further orders in this regard are issued.

The Heads of Institutions are instructed to bring this to the notice of all affected personnels under their control.
