Sub:- IHRD -Preparation of Revised Estimates for the year 2010 – 11 (Receipts & Expenditure) and Budget Estimates for the year 2011 – 12 Receipts & Expenditure) reg

Ref:- Orders in File No Fin A4/10729/2004/HRD dated 26.10.2010

Head of all associate institutions of IHRD are directed to send necessary proposals in proforma, I, II, III and IV (enclosed) to facilitate preparation of the Revised Estimates for the year 2010 - 11 (Receipts & Expenditure) and Budget Estimates for the year 2011 - 12 (Receipts and Expenditure). The proposals, complete in all respects, should reach this office not later than **30..11..2010**.

The following points should be clearly borne in mind while furnishing the proposals.

- Non-institutional revenue and expenditure should not figure in proforma I & II
- (ii) Income anticipated during the next financial year from Noninstitutional revenue items such as Sale of Application forms (both Regular Courses & IHRD Courses), Development Charges from NRI, Caution Deposit, SD, EMD, Sale of Tender Form and other items may be shown separately.
- (iii) The Estimates should be prepared as realistically as possible with reference to the anticipated receipts and expenditure and also taking into account all relevant and recent developments and it should closely correspond to the actuals. Construction works/purchase for

which Administrative Sanction & Purchase Sanction/Work Sanction have been issued may also be taken into consideration to work out the anticipated expenditure. Column No.8 of Proforma I & II should be clearly filled up showing reason for variations.

- (iv) In the absence of adequate financial support from Government, every effort should be made to limit the expenditure to the resources of the institution providing for unavoidable items only.
- (v) Care should be taken to avoid mistakes and defects in the accounts pointed out by this office on earlier occasions and be rectified before finalizing and sending the proposals under each head of account.
- (vi) In case of any doubt regarding classification of any item of receipt or expenditure, advice from this office may be sought.
- (vii) There is no bifurcation for the head of account "Machinery & Equipments" and "Library". They should be booked under a single head. ie (instead of computer, Printer & other machinery equipments & books, periodicals & other library other items).
- (viii) PAY, DA, HRA, CCA & other allowance should be shown separately and the total of the above also should be shown in the head of account "Salary".
- (ix) Advances received from HQ and Bridge loan (institution to institution) should be shown separately in the Proforma I (Receipt)
- (x) Grant-in-aid (Plan Fund) received from HQ should be shown separately in Proforma I.
- (xi) Institutional revenue only should be shown in the Closing Balance as on 31..3..10 (ie, CD, EMD, Sale of Application need not be reckoned for Actual as on 31..3..2010)
- (xii) A ledger should be maintained showing separate pages for each head of account for the expenditure incurred in the institution including

salary and the amount should be deducted from the budget allotment and the balance should be shown in the pages.

It is seen that most of the institutions are not following the instructions given from Headquarters and the Proformas are not clear and legible. Care should be taken while sending the Proposal. Illegible proposals will be send back.
